Profile

Jayasager KT is an experienced actuary with close to **30 years in the life insurance industry**, including over **20 years in actuarial roles**. He has worked extensively in areas such as life insurance valuation, embedded value reporting, reinsurance administration, IFRS17 and actuarial audits. He has also made significant contributions to actuarial education and professional examination standards.

He is currently a **Director at BDO India LLP**, where he leads actuarial consulting engagements for prominent insurers in India and abroad. Currently he is the Appointed Actuary of Nepal Life Insurance Company Ltd., the largest insurance company in Nepal.

His prior experience includes senior positions at **LIC of India, SBI Life, PNB MetLife, and Bajaj Allianz Life**, where he handled a range of responsibilities across actuarial, finance, and underwriting functions.

In addition to his corporate roles, Jayasager has served as a **faculty member** at the Institute of Actuaries of India, an **examiner** for the Institute and Faculty of Actuaries (UK), and an **independent accreditation examiner** for both the IAI and IFoA.
